

Dear Member,

Hope everyone is safe and well during lockdown in Melbourne.

While you may be feeling a sense of “deja vu”, try and focus on the positives as this time round, we have more knowledge, experience, and expertise when it comes to COVID. Trust the process as the numbers are telling us that it is under control.

Before we know it, lockdown will be over real soon, and we'll be getting ready for our next event!

**Update on our Mixer-Night held in May 2021:**

Our Mixer-night was a great success and everyone who attended enjoyed mixing in with like-minded individuals and making new connections.

General feedback provided was that the night was enjoyable and face-to-face events where you can meet new people were a refreshing change from online dating.

**Plans for July (depending on COVID restrictions):**

Our next plan is to host a couple of small “get togethers” for members in similar age groups. We will start with a “get together” for singles in their 30s and then hold a similar one for the 40s' age group.

These “get togethers” will be a maximum of 20 and the aim is to bring members together over a drink and some nibblies who are of a similar age group. Here you can make new friends, enjoy good conversation and mingle with like-minded people in a casual environment.

We are hoping to hold these “get togethers” in July, so stay tuned for more information toward the end of the month. However, please be aware that members with profiles will be given a priority.

If you haven't already set up your profiles, now is the time to do this so you can be guaranteed of a place in our upcoming events. If you need our help to do this, please send us an email at [support@onplatinumclub.com](mailto:support@onplatinumclub.com).

Warm regards,

The Onplatinum Club Team
