

## FEBRUARY 2020 NEWSLETTER

Dear Member,

We are thrilled to announce that we have had a tremendous start to our campaign with significantly impressive applications from successful people like yourself. As you know we pride ourselves on our unique eligibility criteria and as such we have declined some applications along the way. This ensures that we maintain our standards and we are proud of the high calibre of our members so far.

**The good news is** that OnPlatinum Club is on target to go live by the end of April and you will soon be able to enjoy the benefits of your membership to an exclusive club that is limited to successful and accomplished people.

We have given you access to set up your profile while you are waiting for our official launch and we urge you to take advantage of the time you have to load and perfect your profile. We have allowed some very limited visibility so that you can view a handful of members, the purpose of this is to help you familiarise yourself with our program however please be aware that this is a very limited feature at the moment..

We thought you may be interested to know that we currently have a very even ratio of males to females with members professions ranging from Doctors, Architects, Pharmacists, General Managers, Accountants and business owners in various industries. The bulk of our members ages sit between early 30s to late 50s at this stage.

### **What next?**

We will keep you updated on a monthly basis with our progress and timelines for our official launch.
