

To our Members of On Platinum Club

We are finally starting to see the light at the end of the very long COVID-tunnel which means it's time for all of us to get our ducks in a row so we can all get ready to meet new people.

Ideally we would have loved to have been preparing for a series of events such as cocktail parties, mixers, speed dating and trivia nights however all these plans are currently on hold.

The **exciting news** is that in preparation for the easing of restrictions, we are now planning new ways to bring people together and as a result we are introducing **'Tables for 10'**

These will be casual dinners with 10 members - the selection will be based on your choices. Members will be given the opportunity to email us (confidentially) with any suggestions of who they may like to meet at dinner and we will cross-match these to get the people who have expressed a mutual interest in meeting each other!

We plan to hold these on a weekly basis as soon as restaurants can reopen which hopefully will be some time in September.

We would like to start putting together everyone's choices immediately and so, the only matter left is 'where' to hold these dinners?

In support of all local businesses, we are asking our members to recommend some great local restaurants around Melbourne that would be suitable for this type of event. Do you have any suggestions? We would love to hear from you so if you can reply to this email with your recommendations, we would be very grateful as I'm sure the restaurant owners will be too.

Finally, for those that haven't set up their profile, it is vital that that this is completed in order to participate in these dinners so please take the time to create your profile as we would love to meet you! **Please note, you have already qualified for your FREE membership and this will commence from our launch date (November 2020 at this stage), not from the date you create your profile.**

If you require any assistance in setting up your profile, please email us at [support@onplatinumclub.com](mailto:support@onplatinumclub.com).

We will keep you informed of any developments so stay tuned!

Stay safe
