

Dear Member,

Hope everyone is enjoying their easter holiday!

If you haven't had the chance to attend one of our Table for 10 dinners, you are missing out on a great experience! Feedback from our members is overwhelmingly positive and several matches have resulted from this event so far.

The great news is that we will also be hosting a singles' party towards the end of the month. The aim is to get our members together for a "meet and greet" over some nibbles and a drink. Here you can meet new friends and mingle with like-minded people in enjoyable casual surroundings.

We are hoping to hold these parties monthly. However, these parties will be by "invitation only" available to members with profiles.

Our motto is that there really is no end to the circle of friends that you can make. And by extending your social networks, this can also create more opportunities for you to meet your future partner.

If you would like to attend one of our dinner events or reserve a spot in our first singles' party, please email us at support@onplatinumclub.com. It's first in first serve, so hurry as places tend to fill up quickly.

If you haven't already set up your profiles, now is the time to do this so you can participate in any of our events. If you need our help to do this, please send us an email.

Warm regards,

The Onplatinum Club Team
