

Dear Member,

What a great start to the year it has been so far.

The launch of our Table for 10 dinners has been a major success! Great food, interesting conversation, lots of laughs AND 2 matches have been made in only 2 dinners!

Feedback from our members is overwhelmingly positive and the good news is that we will continue to run these events each month.

Our motto is that there really is no end to the circle of friends that you can make. And by extending your networks, this can also create more opportunities for you to meet your future partner.

Our Tables for 10 is about meeting interesting new friends both male and female. If you are surrounded by married friends or have a busy lifestyle and a demanding job you will know only too well how hard it can be to meet new friends and have some fun. Tables for 10 will solve this challenge by ensuring you meet lots of sociable, like-minded people in enjoyable surroundings. You can look forward to these dinner events each month which are guaranteed to provide you with the means of meeting new people and making new friends.

You can attend as many as you want – there is no fee involved. You only need to pay for your dinner and drinks.

If you would like to attend one of our dinner events, please email us at support@onplatinumclub.com. It's first in first serve, so hurry as places are filling up for February and March 2021.

If you haven't already set up your profiles, now is the time to do this so you can participate in our dinner events. If you need our help, please send us an email.

Hope to meet you at one of these dinner events!

Warm regards,

The Onplatinum Club Team
