

Dear Member,

Hope everyone is having a great month.

**The good news** is that we are launching On Platinum Club on the Gold Coast! And we will be offering free memberships to everyone from the Gold Coast who registers in the next 2 months.

As part of our promotional campaign, we will also be organising a range of “meet and greet” events in the Gold Coast area so members can have the opportunity to mingle and make new friends! Who knows where this can lead to, the rest is up to you.

So, if you are living in the GC, and want to join this exclusive group, make sure to register so you can receive instructions to our special events for successful singles at [www.onplatinumclub.com](http://www.onplatinumclub.com).

On Platinum Club is committed to providing a range of opportunities for members to meet like-minded, successful singles. These include online dating, private parties, and dinner events.

For any queries about monthly events or memberships, please email us at [support@onplatinumclub.com](mailto:support@onplatinumclub.com) for more information.

Warm regards,

The Onplatinum Club Team
