

Dear Member,

Let's get ready to mingle at the Gold Coast!

As you know, we have now launched in the GC and we are excited about the overwhelming response we have received so far.

Our memberships are growing each day and we are now planning a range of events for our members in the GC. For the months of October and November, we will be hosting dinner parties with a different set up than normal. The aim is for everyone to have the opportunity to meet and chat with more than just the person sitting next to you.

Our Singles Dinner Party will be held at Nicolinis Italian Restaurant and Bar.

So, what makes this different to other dinner parties?

Here are the main points:

- The evening will start with drinks at the bar where you will be introduced to everyone by our host.
- You will then enjoy a sit-down dinner. After each course the men will swap places to different seats giving you the chance to sit with three different people during the dinner!

Do not delay as spots are filling up fast. Register your interest via email at **support@onplatinumclub.com**

For any queries about monthly events or memberships, please email us at support@onplatinumclub.com for more information.

Warm regards,

The Onplatinum Club Team
