

Dear Member,

As Victoria eases its restrictions and sets November 2 for a partial reopen, it's time to get things moving again.

On Platinum Club is now moving forward with its marketing campaign and launch. Rest assured that we have created a platform where like-minded successful singles can connect. This is the place to be if you are a professional, financially secure individual. The endless searching will be a thing of the past!

### **What next?**

***We are on the move.*** On Platinum Club is now expanding into NSW and Queensland providing even more opportunities for our members.

***Tables for 10.*** As mentioned last month, we are now introducing "Tables for 10" which are casual dinners with up to 10 members per table at local Melbourne restaurants. These events will be based on age and recommendations made by our members and so far, we have received a terrific response! These will commence next month depending on Victorian government restrictions. We will keep you informed of any more developments so stay tuned.

***Launch date.*** We will keep you updated on a monthly basis with our progress and timelines for our official launch.

If you haven't yet set up your profile, please do so as it will assist us in accurately assessing our true progress.

If you require any assistance in setting up your profile, please do not hesitate to email us at [support@onplatinumclub.com](mailto:support@onplatinumclub.com).

Stay tuned for more information from Onplatinum Club and don't forget to recommend us to your friends.

Kind regards,

The Onplatinum Club Team
