

Dear Member,

Happy new year!

It's time to set a new resolution you can keep - increase your social calendar and make new friends.

If you enjoy good food, interesting conversation and making new friends you owe it to yourself to find out more about our "Table for 10" dinners. There really is no end to the circle of friends that you can make. And by extending your networks, this can also create more opportunities for you to meet your future partner.

Our Tables for 10 is about meeting interesting new friends both male and female. If you have a busy lifestyle and a demanding job you will know only too well how hard it can be to find time to socialise and have some fun. You can relax knowing that Tables for 10 will solve this challenge by ensuring you meet lots of sociable, like-minded people in enjoyable surroundings. You can look forward to everything from cosy pub dinners and popular bistros to fine dining restaurants - all of which are guaranteed to provide you with the means of meeting new people and making new friends.

At all our dinner events, you will be greeted by a host who will make sure you feel extremely welcome and comfortable as soon as you arrive. Your host will keep things low-key, make introductions and help break the ice by getting the conversation going. From then on, it is all up to you!

If you would like to attend one of our dinner events, please email us at support@onplatinumclub.com. It's first in first serve, so hurry as places are filling up for February 2021.

If you haven't already set up your profiles, now is the time to do this so you can participate in our dinner events. If you need our help, please send us an email.

Hope to meet you at one of these dinner events!

Warm regards,

The Onplatinum Club Team
