

Dear Member,

We were hoping to share a different message with you this month however Stage 4 lockdown (V2) for Victoria has changed many plans for all of us.

Nevertheless, we find ourselves bravely pushing through with renewed plans, adjusted timelines and an awareness of the importance of not taking the simple pleasures in life for granted. I have no doubt that each and every one of us feels immense sadness when we hear that daily death toll as people fall victim to COVID19 and we send our heartfelt sympathies to everyone affected by this terrible virus.

It is however with renewed hope that we are finally heading in the right direction here in Victoria and so, it is time once again to look forward and carry on with all our plans for a better future – however that may look to each of us.

On Platinum Club was planning to hold a series of ‘mixers’ over the month of August where we could give you all the opportunity to meet in an informal setting for a few casual drinks however we have now had to push these events forward to November. The bright side of that is that we will be enjoying much nicer weather!

We are still extremely excited about holding these events to celebrate the official launch of a boutique site that is built on quality over quantity.

As you are all aware, we are now focusing on raising everyone’s profiles on our platform and so we would like to thank everyone who has already done this. For those of you that are yet to raise your profiles, don’t worry as we will be contacting you separately over the coming weeks to help you get started.

We are so excited about your future and can’t wait to be a part of your journey!

Warm regards,

Helen Taylor
